MIPRO 2018 CALL FOR PAPERS AND EVENTS

The 41st International Convention on Information and Communication Technology, Electronics and Microelectronics

21 - 25 May 2018

Opatija - Adriatic Coast - Croatia

Welcome to
Opatija

- SUBMIT YOUR PAPER AND/OR EVENT FOR THE 41st INTERNATIONAL ICT CONVENTION MIPRO 2018!

The 41st International ICT Convention MIPRO 2018 is traditionally dedicated to information and communication technology, electronics, microelectronics, renewable energy sources, ecology along with a new and high technologies in general. We are convinced that MIPRO 2018 will attract more than a thousand participants from commerce, science, education, state and local administration, government and local self-government from Croatia and abroad.

You are invited to submit your scientific, professional and reviewed papers for one of our conferences. It can be an opportunity to present results of your research and professional work. Scientific interns and students attending graduate study programs are invited and encouraged to submit their papers. The presentations may contain results of scientific research, development of new products and services including results obtained in doctoral and masters' theses. We also welcome papers with descriptions of technical, software, hardware and other solutions as well as papers which show the use of nanotechnology, ecology and renewable energy sources. Besides, there are also expected papers of experts in the field of education and education technologies. We invite chairs of European and other projects on science, research, information, technology to present their achievements and experiences. Furthermore, we would like to point out the papers which reflect on programs as a result of European cooperation. MIPRO 2018 is a technological convention opened to all of those who seek for a technological change.

Apart from the conferences there are organized seminars of lifelong learning, round tables, panels, debates, workshops and a traditional exhibition of ICT, electronic and microelectronic products, services and technical solutions. Producers of such equipment, products and services are invited to present themselves and their products.

We are opened to accept any suggestions and ideas which could improve and widen the scope of our conference. Please contact us at mipro@mipro.hr and we'll discuss your proposals.

Welcome to the 41st International ICT Convention MIPRO 2018 in the always beautiful town of Opatija, town of tourism, culture, science and new technologies.
