MIPRO Croatian Society, IEEE Croatia Section, University of Zagreb and University of Rijeka will organize the conference. The conference is supported by Ministry of Science, Education and Sports, Ministry of the Sea, Transport and Infrastructure of the Republic of Croatia, Croatian Chamber of Economy, Primorsko-Goranska County, City of Rijeka and Croatian Post and Electronic Communication Agency. It continues the former conference *Hypermedia and Grid Systems (HGS)*. The conference is traditional forum for scientists, engineers and practitioners in the merging area of Grid and Visualization Systems. Official language is English.

SCOPE

The conference is devoted to presenting and exploring scientific and technological advancements and original innovative applications in the field of Grid and Visualisation systems. Topics for this conference include, but are not limited to:

Grid related topics:

- Grid systems
- Grid applications
- Cluster computing
- Parallel Program Development
- Web and Grid services
- Distributed applications on the WWW
- Web Services Applications
- Network supported cooperative work
- Virtual organizations
- e-Science technologies
- Multimedia and hypermedia technologies

Visualisation related topics:

- Scientific visualization
- Visualization in engineering and medicine
- Parallel visualization methods and algorithms
- Distributed visualization
- Visualization processing and systems
- Parallel Modelling and Rendering
- Computer interaction and vision Applications
- Computer-Aided Design
- Visual data analyses
- Visual analytics

LOCATION

Opatija, often called the Nice of the Adriatic, is one of the most popular tourist resorts in Croatia and a place with the longest tourist tradition on the eastern part of Adriatic coast. Opatija is so attractive that at the end of the 19th and beginning of the 20th centuries it was visited by the most prominent personalities: Giacomo Puccini, Pietro Mascagni, A. P. Čehov, James Joyce, Isidora Duncan, Beniamino Gigli, Primo Carnera, Emperor Franz Joseph, German Emperor Wilhelm II, Swedish Royal Couple Oscar and Sophia, King George of Greece.

The offer includes 20-odd hotels, a large number of catering establishments, sports and recreational facilities.
